

KYOTO UNIVERSITY FACILITIES IN JAPAN

Supporting Research throughout Japan

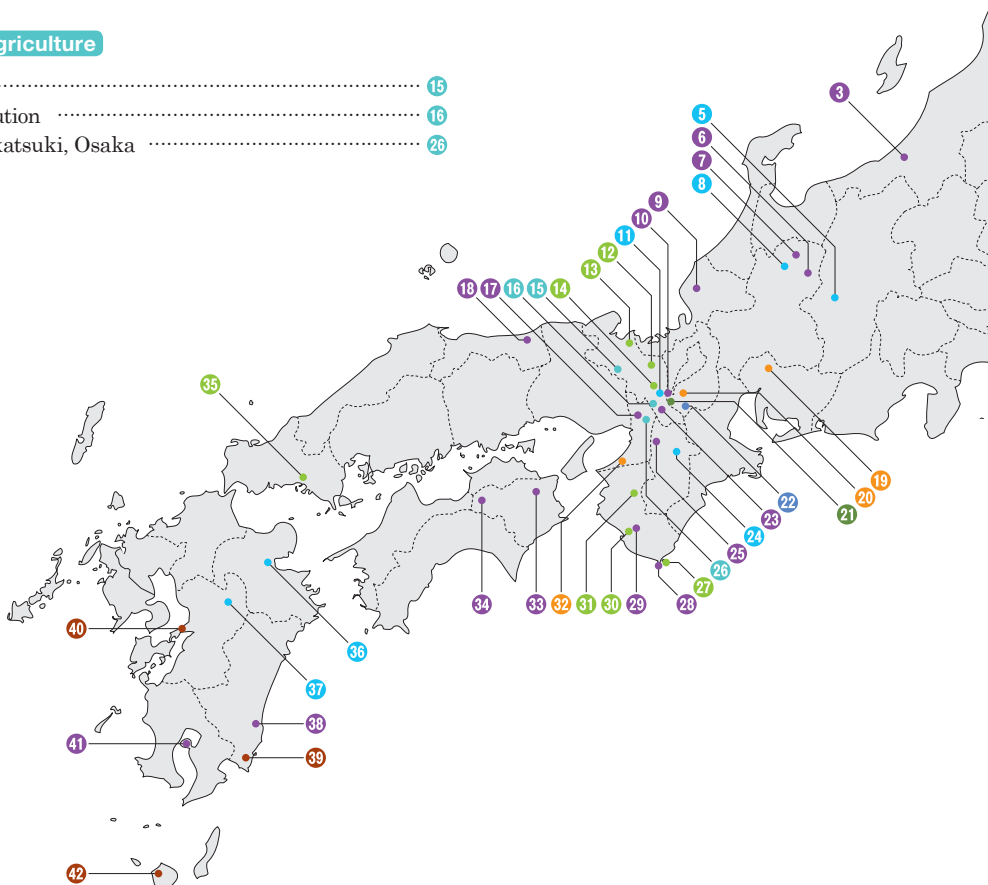

In addition to its three campuses, Kyoto University operates a number of diverse facilities at various locations throughout Japan. Kyoto University is renowned for the rich achievements stemming from its diverse fieldwork endeavors, and each of its facilities is a unique and valuable resource for the activities of its researchers.

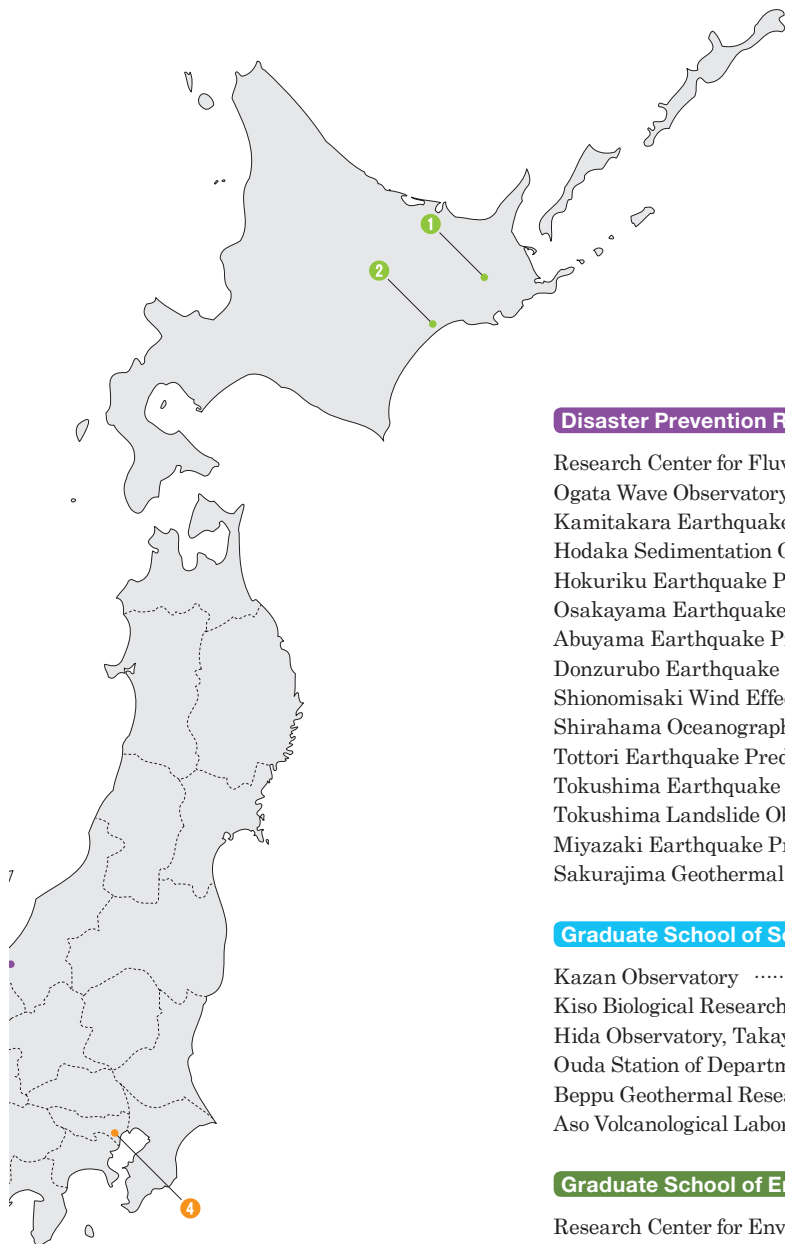

Field Science Education and Research Center

Hokkaido Forest Research Station Shibechea Branch, Hokkaido	1
Hokkaido Forest Research Station Shiranuka Branch, Hokkaido	2
Maizuru Fisherise Research Station	13
Ashiu Forest Research Station	12
Kamigamo Experimental Station	14
Kii-Oshima Research Station, Wakayama	27
Seto Marine Biological Laboratory, Wakayama	30
Wakayama Forest Research Station, Wakayama	31
Tokuyama Experimental Station, Yamaguchi	35

Graduate School of Agriculture

Livestock Farm	15
Laboratory of Crop Evolution	16
Experimental Farm, Takatsuki, Osaka	26

Disaster Prevention Research Institute

Research Center for Fluvial and Coastal Disasters 23

Ogata Wave Observatory, Niigata 3

Kamitakara Earthquake Prediction Observatory, Gifu 7

Hodaka Sedimentation Observatory, Gifu 6

Hokuriku Earthquake Prediction Observatory, Fukui 9

Osakayama Earthquake Prediction Observatory, Otsu, Shiga 10

Abuyama Earthquake Prediction Observatory, Takatsuki, Osaka 17

Donzurubo Earthquake Prediction Observatory, Nara 25

Shionomisaki Wind Effect Laboratory, Wakayama 28

Shirahama Oceanographic Observatory, Wakayama 29

Tottori Earthquake Prediction Observatory, Tottori 18

Tokushima Earthquake Prediction Observatory, Tokushima 33

Tokushima Landslide Observatory, Tokushima 34

Miyazaki Earthquake Prediction Observatory, Miyazaki 38

Sakurajima Geothermal Research Center, Kagoshima 41

Graduate School of Science

Kazan Observatory 11

Kiso Biological Research Institute, Kiso, Nagano 5

Hida Observatory, Takayama, Gifu 8

Ouda Station of Department of Astronomy, Uda, Nara 24

Beppu Geothermal Research Laboratory, Beppu, Oita 36

Aso Volcanological Laboratory, Aso, Kumamoto 37

Graduate School of Engineering

Research Center for Environmental Quality Control 21

Research Institute for Sustainable Humanosphere

Shigaraki MU Observatory 22

Wildlife Research Center

Kumamoto Sanctuary, Uki, Kumamoto 40

Koshima Field-Station, Kushima, Miyazaki 39

Yakushima Field-Station, Kamiyakucho, Kagoshima 42

Other

Primate Research Institute, Inuyama, Aichi 19

Center for Ecological Research, Otsu, Shiga 20

Research Reactor Institute, Kumatori, Osaka 32

Tokyo Office 4
