

Kyoto University Hakubi Project to Foster and Support Young Researchers

“Global Type”

March 25, 2024

Job title	Associate professor, Junior associate professors or Assistant professor (program-specific full-time faculty members)
Number	Around 20 applicants
Location	The location at host department (If the university permits or requests teleworking, the place of working includes the home, etc.)
Job description	In 2009, Kyoto University inaugurated the Hakubi Project to Foster and Support Young Researchers, in which the University appoints promising young researchers to support their research activities as world-leading researchers and to develop visionary researchers who will pioneer new paths in their respective academic fields. Research projects in all fields of the humanities, social sciences and natural sciences are welcome.
Eligibility	Researchers with a doctoral degree (or equivalent research abilities) are eligible. All nationalities are welcome. Those who have previously been employed as "Hakubi researcher" through the Hakubi Project to Foster and Support Young Researchers are not eligible. It is not possible to apply for both the Global Type and Tenure-track Type appointments of Kyoto University in the same Japanese academic year.
Date of appointment	The term of appointment will begin on April 1 st 2025 in principle, but can be adjusted according to the requirements of individual researchers.
Contract term	The employment term will be 5 years in principle. There can be no renewal of the appointment.
Trial period	No
Business hours	7 hours and 45 minutes per day, 38 hours 45 minutes per week under a discretionary work system. If a researcher's consent is not given, the discretionary work system does not apply, and scheduled working hour is fixed at 8:30 to 17:15 (break 12:00-13:00). Overtime may be required when necessary. Holidays: Weekends, National holidays, Year-end and New Year holidays, and the University Foundation Day (June 18th).
Salary	The amount of salary shall be calculated based on the experience and ability of each individual in accordance with the Kyoto University's payment Rules and Regulations.
Allowance	No

Social insurance	Selected researchers will be eligible for MEXT Mutual Aid Association membership, an employees' pension, employment insurance, and workers' compensation insurance.
