

**Research Proposal for Kyoto University *Hakubi* Project  
to Foster and Support Young Researchers**

Name		Nationality	
Residential address			
Date and year of birth		Age (As of Jan. 1, 2010)	M/F
Academic degree (date and year of acquisition)	Contact information	Phone	
		E-mail	
Affiliation		Post/Position	
Desired post	<input type="checkbox"/> Associate Professor <input type="checkbox"/> Assistant Professor (Check <input checked="" type="checkbox"/> one)		
Planned research facility	Kyoto University	<input type="checkbox"/> Permission obtained/ <input type="checkbox"/> Desired (Check <input checked="" type="checkbox"/> one)	
<b>Research title</b> (Enter the title of your planned research project in 80 characters or less in English.)			
<b>Outline of proposed research</b> (Enter the outline of your research for the project in around 50 words in English.)			
<b>Researcher's career</b> (Enter your research career in reverse chronological order, beginning with your present post and dating back as far as graduation from your most recent degree course.)			

**Research Plan**

(In 5 - 10 pages, write freely about the purpose of your research, research plan & method, research facility, method of publication, previous achievements, etc. You can also enter tables and figures if necessary.

\* Use 10.5 point font or larger.

**Researchers from the relevant academic field(s)–For reference**

(Please specify up to five researchers [and their affiliations] who have detailed knowledge about the content of your research plan and who are the most appropriate to evaluate it)

**Research Proposal for Kyoto University *Hakubi* Project  
to Foster and Support Young Researchers  
(Example of completed form)**

Name	Hanako Kyodai	Nationality	Kyoto Prefecture		
Residential address	Yoshida-Honmachi, Sakyo-ku, Kyoto City, Kyoto Prefecture				
Date and year of birth	May 3, 1973	Age (As of Jan. 1, 2010)	36	M/F	Female
