- 1954 Branch School renamed College of Liberal Arts and Sciences.
- 1956 Institute for Virus Research established.
- 1960 Faculty of Pharmaceutical Sciences established.
- 1962 Institute of Economic Research established.
- 1963 Research Institute for Mathematical Sciences and Research Reactor Institute established.
- 1965 Center for Southeast Asian Studies established.
- 1966 Center for Student Health established.

- 1967 Primate Research Institute established.
- 1969 Data Processing Center established.
- 1971 Radioisotope Research Center established.
- 1972 Research Center for Sports Science established.
- 1975 College of Medical Technology established.
- 1976 Plasma Physics Laboratory and Radiation Biology Center established.
- 1977 Environment Preservation Center and Center for Archaeological Operations established.
- 1978 Educational Center for Information Processing established.
- 1980 Research Center for Biomedical Engineering established.
- 1981 Radio Atmospheric Science Center established.
- 1986 Center for African Area Studies established.
- 1988 Center for Molecular Biology and Genetics established.
- 1990 Center for Student Exchange established.
- 1991 Graduate School of Human and Environmental Studies and Center for Ecological Research established.
- 1992 College of Liberal Arts and Sciences reorganized and renamed Faculty of Integrated Human Studies.
- 1994 Research Center for Higher Education established.
- 1995 Venture Business Laboratory established.
- 1996 Graduate School of Energy Science established. Institute of Atomic Energy and Plasma Physics Laboratory merged into Institute of Advance Energy. Student Counseling Center was established.
- 1997 The Kyoto University Museum established. Educational Center for Information Processing reorganized and renamed Center for Information and Multimedia Studies.
- 1998 Graduate School of Asian and African Area Studies and Graduate School of Informatics established. Chest Disease Research Institute reorganized and renamed Institute for Frontier Medical Sciences.

- 1999 Graduate School of Biostudies and Counseling Center established.
- 2000 Radio Atmospheric Science Center reorganized and renamed Radio Science Center for Space and Atmosphere. University Archives established.
- 2001 International Innovation Center established.
- 2002 Center for Data Collection and Analysis established. Graduate School of Global Environmental Studies established. Center for Data Processing and Center for Information and Multimedia Studies reorganized and renamed Academic Center for Computing and Multimedia Studies. Research Center for Low Temperature and Materials Sciences and Fukui Institute for Fundamental Chemistry established.
- 2003 Seto Marine Biological Laboratory, University Forest, Subtropical Plant Institute and Fisheries Research Station merged into Field Science Education and Research Center. Research Center for Higher Education reorganized and renamed Center for the Promotion of Excellence in Higher Education. Institute for the Promotion of Excellence in Higher Education and Law School established. College of Medical Technology merged into Graduate School of Medicine.
- 2004 Kyoto University incorporated in accordance with the National University Corporation Law.**
- Wood Research Institute and Radio Science Center for Space and Atmosphere unified as Research Institute for Sustainable Humanosphere. Center for Southeast Asian Studies given institute status.
