

Origami

おりがみワークショップ

Workshop

Thursday 28 February 2019

13:00-15:00

Free of Charge

Place / j-pod

International Seminar House, Kyoto University

First 15 people

The 'KIZUNA' event for February is an Origami workshop taught by professional instructors. Origami is the Japanese traditional art of paper folding. Originally a form of recreation for children, it is now an internationally appreciated art form, and some of the techniques involved have found industrial applications worldwide. Using beautiful colorful paper, you can make an infinite variety of objects, such as animals, birds, and flowers.
