

The 4th Kyoto-Bordeaux Symposium 2021

Date &
Time

February 18–19, 2021
16:30–20:00 JST (8:30–12:00 CEST)

Venue
(online)

Applications must be submitted in advance via the following URL: <https://forms.gle/UrzvYWfuF6H2yKsC9>

Overview:

In October 2019, Kyoto University and the University of Bordeaux formed a strategic partnership to focus on research collaboration in three fields of energy science, medicine, and African area studies. The 4th Kyoto-Bordeaux International Symposium aims to serve as a platform for researchers in those fields to share their knowledge and develop collaboration with a focus on the future of Africa.

Participation
Free of
Charge!

■ Kyoto University Strategic Partnerships

Under the direct leadership of the presidents of both partner institutions, Kyoto University's strategic partnerships aim to promote interdisciplinary research collaboration and human capital mobility in an expanded range of academic fields.

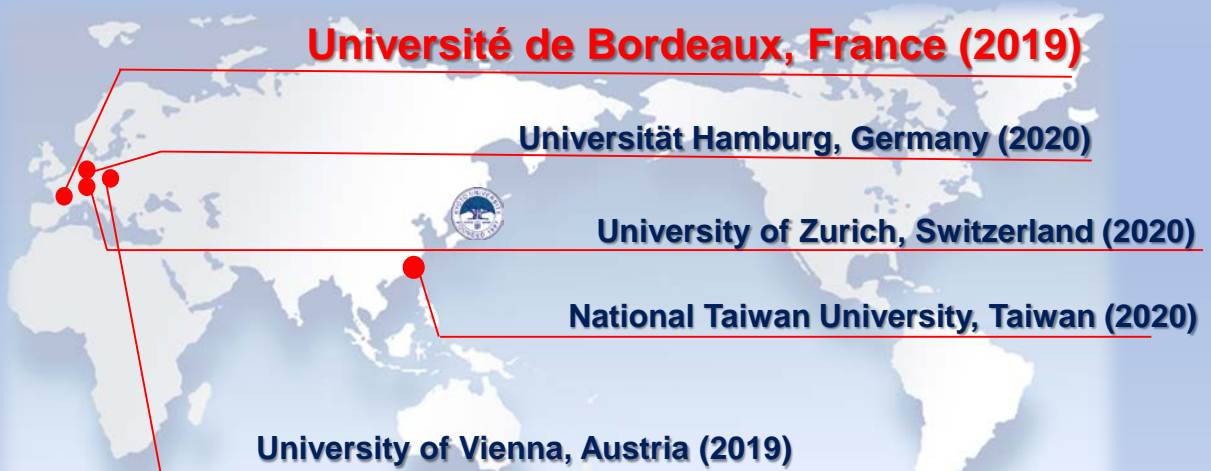

Université de Bordeaux, France (2019)

Universität Hamburg, Germany (2020)
