

Position filled

Assistant Technical Staff Department of Molecular Biosciences, Graduate School of Medicine

28th May, 2021

Job title	Assistant Technical Staff
Number	One person
Location	Department of Molecular Biosciences, Graduate School of Medicine, Kyoto University (Location: Yoshida-konoecho, Sakyo-ku, Kyoto City)
Job description	Technical assistance focusing primarily on molecular and cell biology studies, dealing with DNA, RNA, proteins, cultured human cell lines and iPS cells
Required qualifications	Undergraduate degree in biological and/or chemical/pharmaceutical sciences and, preferably either a Master's degree in a related field or with over two years of practical experience. Experience in the following fields would be advantageous but are not essential: (1) Molecular biology techniques (RT-PCR, Western blotting, gene cloning, etc); (2) Handling cultured cell lines
Contract term	As soon as possible after 1st July 2021 till 31st March 2022, but extendable to a total of 3 years
Probation period	None
Business hours	5 days a week (excluding Saturdays, Sundays, national holidays, year-end and New Year holidays, founding anniversary and summer holidays). Total work time would be 30 hours a week with possible overtime. Daily/weekly work schedules and overtime are all negotiable
Salary	Salary will range from 1,000-1,600 yen per hour based on experience and on university guidelines
Allowance	Overtime and transport allowances are provided. (No other benefits, such as bonuses or housing and retirement allowances are provided)
Social insurance	Worker's accident insurance, Health insurance, employee's pension and unemployment insurance
Application documents	Please send your full Resume (name, address, age, gender, telephone number, e-mail address, photo attached), together with a short explanation of your work experience, motivation and other important factors either in Japanese or English to either the email address or physical address below. In case of email, please send paper applications later. For all paper submissions, please write "Technical Assistant for Molecular Biosciences" in red on the envelope. Delivery address: Molecular Biosciences, Room E112, E Building, Yoshidakonoecho, Sakyo-ku, Kyoto 606-8501 Kyoto University Graduate School of Medicine E-mail: okui.hikari.3m*kyoto-u.ac.jp (please replace * with @).
Application deadline	The application will be closed as soon as the right person is decided.
Selection procedures	After screening the documents, an interview will be held. Details about interviews will be informed at a later date
Contact	Molecular Biosciences, Graduate School of Medicine, Kyoto University Phone: +81-(0)75-753-4476, FAX : +81(0)75-753-9281 E-mail: okui.hikari.3m*kyoto-u.ac.jp (please replace * with @).
Notes	We cannot answer questions about the selection process or the reasons for acceptance or rejection. The submitted documents will be used only for recruitment screening. We will not disclose, transfer or lend to a third party without a justifiable reason. Please note that application documents will not be returned. Kyoto University prohibits on-campus smoking except in designated outdoor spaces so as to minimize secondhand smoke exposure.
