

**Associate Professor Position in the Research Section of Socio and Eco Environment Risk  
Management, Disaster Prevention Research Institute, Kyoto University**

**October 18<sup>th</sup>, 2022**

The Disaster Prevention Research Institute (DPRI), Kyoto University invites applications for a permanent Associate Professor position.

**Location:** Research Division of Disaster Management for Safe and Secure Society, Disaster Prevention Research Institute, Kyoto University, Gokasho, Uji, Kyoto 611-0011, Japan.

**Job description and required qualifications:**

The appointed associate professor is required to conduct research on the interaction between water use and ecosystems in basin environments based on the comprehensive river basin flood management policies and the integrated sediment management in sediment routing systems. The candidate is expected to develop ecosystem-sediment hydraulics linkage models and river geomorphological management methods through habitat structure, as well as to conduct researches that contribute to Eco-DRR considering increase in external flood impacts due to climate change and sustainable management of water resource development facilities. Furthermore, it is expected that research projects that combine field survey, modeling, and area studies will be promoted in order to solve these watershed management issues, both domestically and internationally. The candidate will have responsibility for education in the Department of Urban Management, Graduate School of Engineering, Kyoto University. The candidate must hold a Ph.D. or equivalent degree and be proficient in Japanese.

**Anticipated start date:** As soon as possible after April 1<sup>st</sup>, 2023.

**Probation period:** 6 months

**Working time:** Discretionary labor system (standard working hours: 7 hours 45 minutes per day, 38 hours 45 minutes per week)

Days off: Saturdays, Sundays, Statutory holidays under the Act on National Holidays, Year-end and New Year's holidays, and Anniversary of Foundation of the University.

**Salary and Allowance:** To be determined in accordance with Kyoto University regulations.

**Social insurance:** (1) National Public Service Mutual Aid Associations, (2) Employee's pension insurance, (3) Unemployment insurance, and (4) Worker's accident insurance

**Applicants should prepare the following materials:**

- (1) Curriculum vitae
- (2) List of publications (divided clearly into refereed journal papers and others)
- (3) Copies of five relevant papers
- (4) Brief summary of research and related contributions (up to two A4 pages)
- (5) Statement of research plans (up to two A4 pages, including figures)
- (6) Recommendation letter(s) or names and contact information of two references (include addresses, fax numbers, and e-mail addresses)

The complete application package must arrive by the deadline of 17:00 JST, December 19<sup>th</sup>, 2022 at the following address:

Selection Committee for Socio and Eco Environment Risk Management Associate Professor  
Administrative Office, Uji Campus,  
Kyoto University  
Gokasho, Uji, Kyoto 611-0011 JAPAN

Applicants must send the package by registered mail or direct submission. Applicants are not allowed to submit it by e-mail or through internet.

For inquiries, you can send e-mail to apply\_staff 'at' dpri.kyoto-u.ac.jp (replace 'at' with @)
