Program-Specific Assistant Professor/Program-Specific Researcher (Postdoc) position at the Department of Material Chemistry, Graduate School of Engineering, Kyoto University

June 20, 2025

Job title	Program-Specific Assistant Professor or Program-Specific
	Researcher (Postdoc)
Number	1-2 persons
	Biomaterial Chemistry Laboratory, Department of Material
	Chemistry, Graduate School of Engineering, Kyoto University
Location	(Location: Kyotodaigaku-Katsura, Nishikyo-ku, Kyoto)
	(Home, etc., if telecommuting is permitted or ordered by Kyoto
	University.)
	Research on the Creation of Polymer Materials regarding MEXT
	Data generation and utilisation materials research and development
Tab danasindan	projects (DxMT)
Job description	Website
	http://pixy.polym.kyoto-u.ac.jp/ku_numata/index.html
	(Japanese only)
	• The candidate should possess a doctoral degree (including
	prospective doctoral degree), or have a research achievement
	equivalent to a doctoral degree.
	•Generally, successful candidate is expected to have experience in
	the job description ant speak and write English fluently.
	•Generally, successful candidate is expected to have knowledge and
Requirements	expertise in one or more of the following areas:
Kequirements	1) Polymer science (polymer chemistry, polymer physics, polymer
	structure, biopolymer science)
	2) Material informatics
	3) Data science regardless of chemistry or biology
	4) Chemistry or biochemistry related to peptides/proteins
	5) Microbiology and/or biotechnology for protein and biopolymer
	synthesis
	After the employment decision is made to March 31, 2026
Contract Start Date	* As early as possible (Negotiable)
	* The employment contract is renewable until March 31, 2032

	based on evaluation results. However Renewal of the contract will
	be determined after the expiry of the contract period, taking into
	account the workload, work performance, attitude, competence,
	progress of the work engaged in, management situation, acceptance
	of external funding for which the employee is employed, etc.
	of external funding for which the employee is employed, etc.
Probation period	Six months in accordance with the regulations of Kyoto University
	Full-time employment in a discretionary work system, based on 7
	hours, 45 minutes (8:30-17:15 work schedule with a one-hour
	break) per day, 38 hours 45 minutes per week.
	$8:30 \text{am} \sim 5:15 \text{pm}$ (break $12:00 \text{pm} \sim 1:00 \text{pm}$)/ 5 days a week, when
Business hours	Discretionary work system for specialist staff is not applied.
	 You may be ordered to work overtime as needed.
	Days off: Saturdays, Sundays, National holidays, Year-end and New
	Year holidays, Foundation Day
~ -	Salaries are determined based on the Kyoto University Standards
Salary	depending on capabilities and backgrounds (annual Salary system)
	Any allowance such as commuting expenses, housing expenses,
Allowance	bonuses, etc. is not provided.
Social insurance	•Mext Mutual Aid Associations
	•Employee's pension insurance
	•Employment insurance
	•Worker's accident insurance
	Please submit the following PDF formatted application by email,
	with the subject "Job Application of DxMT".
	(1) Complete CV (with photo and email address)
	(2) List of research achievements
	*Also attach ONE representative paper related to the position
Referral Instructions	applied to.
	(3) Previous research and future research plan (A4, 2 pages)
	(4) Certificate of graduation for the highest level of education
	achieved or copy of said diploma
	(5) A letter of recommendation from the PI of current laboratory
	* A recommendation from a third party is allowed when it is
	difficult for the candidate to obtain a recommendation from the
	PI of current laboratory.

	* The letter should be addressed to Keiji Numata.
	(6) A work/research reference who can be contacted for an opinion
	_
	(with affiliation and email address)
	*If you have interrupted your educational/research activities due
	to childbirth, childcare, etc., you may state the period of
	interruption. If stated, it will be taken into consideration during the
	screening process.
	Submit by email to:
	numata.keiji.3n * kyoto-u.ac.jp (Please replace * with @)
	Dept. Material Chemistry, Kyoto University
	Prof. Keiji Numata
Application	0 (14): (11)
Deadline	Open until the position is filled
	After the first screening (examination of application documents)
	successful, candidates will be contacted for an interview.
Screening	* Please note that any travel expenses incurred will not be
	reimbursed.
	•We cannot answer questions about the selection process, or the
	reasons for acceptance or rejection. The submitted documents will
	be used only for recruitment screening. We will not disclose,
	transfer or lend these data to a third party without a justifiable
	reason. Please note that application documents will not be returned.
