

Position filled

Professor, Department of Cognitive Science, Primate Research Institute (KUPRI)

June 14, 2019

Job Title	Professor (tenured)
Number	One Person
Location	Department of Cognitive Science, KUPRI, Inuyama, Aichi
Job description	The KUPRI is seeking to appoint a suitable candidate to the position of full professor in the Department of Cognitive Science. The department conducts interdisciplinary research in human and nonhuman primates to understand the evolutionary origins of human minds and behavior. At this time, we are seeking a researcher whose research fits the mission of the department. Prior experience with primates is not essential. The successful applicant is also expected to promote primate research from a broad perspective, to teach and supervise graduate students, and to contribute to administration of the institute.
Starting date	April 1st, 2020 or later at the earliest possible date
Probation period	Six months following the Kyoto University regulations
Business hours	Discretionary labor system, based on 7 hours, 45 minutes (8:30-17:15 work schedule with a one-hour break) per day, 38 hours 45 minutes per week. Days off: Saturdays, Sundays, National holidays, Year-end and New Year holidays, Foundation Day, and summer vacation.
Salary and Allowance	To be determined in accordance with Kyoto University regulations
