Kyoto University Hakubi Project to Foster and Support Young Researchers “Global Type”

December 16, 2019

Job title	Associate professor or Assistant professor (program-specific full-time faculty members)
Number	Around 10 applicants
Location	The location at host department
Job description	In 2009, Kyoto University inaugurated the Hakubi Project to Foster and Support Young Researchers, in which the University appoints promising young researchers to support their research activities as world-leading researchers and to develop visionary researchers who will pioneer new paths in their respective academic fields. Research projects in all fields of the humanities, social sciences and natural sciences are welcome.
Eligibility	Researchers with a doctoral degree (or equivalent research abilities) are eligible. All nationalities are welcome. Those who have previously been employed as "Hakubi researcher" through the Hakubi Project to Foster and Support Young Researchers are not eligible. It is not possible to apply for both the Global Type and Tenure-track Type appointments of Kyoto University in the same Japanese academic year.
Date of appointment	The term of appointment will begin on October 1 st 2020 in principle, but can be adjusted according to the requirements of individual researchers.
Contract term	The employment term will be 5 years in principle. There can be no renewal of the appointment.
Trial period	6 months trial period
Business hours	7 hours and 45 minutes per day, 38 hours 45 minutes per week under a discretionary work system. Holidays: Weekends, National holidays, Year-end and New Year holidays, the University Foundation Day (June 18th), and summer vacation.
Salary	To be determined in accordance with the existing employment regulations of Kyoto University.
Allowance	No
Social insurance	Selected researchers will be eligible for MEXT Mutual Aid Association membership, an employees' pension, employment insurance, and workers' compensation insurance.
