

# KYOTO UNIVERSITY ALUMNI

Kyoto University Alumni was founded in November 2006 to serve as an umbrella organization for the university's faculty, graduate school, domestic, and international alumni associations, and facilitate cooperation among their members. The organization currently embraces forty-seven faculty and graduate school alumni associations, twenty-eight domestic regional associations located throughout the country, twenty-three international associations (six in East Asia, twelve in Southeast Asia, three in North America, one in Europe, and one in South America), as well as several student club associations.

## Activities

### 1. Faculty/Graduate School Alumni:

Holds general meetings, lectures, and seminars, and provide opportunities for faculty and student exchange.

### 2. Regional Alumni in Japan:

Holds general meetings, regular conferences, and reunions. Provides support for university-organized conferences and projects.

### 3. Regional Alumni Overseas

Organizes international symposia in cooperation with the university, and holds alumni social meetings.

1. Regional alumni seminar in Fukuoka

2. Reunion meeting in Europe

3. The 14<sup>th</sup> Kyoto University Southeast Asia Forum hosted by Kyoto University Vietnamese Alumni (KUVA)

## 4. Kyoto University Alumni Network

The Kyoto University Alumni Network is an online system to facilitate communication among the university's alumni. Network members can search a database of registered alumni, and share information with each other. The network serves to strengthen the bond of friendship among alumni, and help them maintain their links to the university.
