The Third High School was subsequently relocated once again, and Kyoto Imperial University was established at its former location on June 18, 1897.

1869

The Seimikyoku was established in Osaka as a school of higher learning in chemistry and physics.

1947

Renamed Kyoto University in 1947.

1889

Known at this point as the Third High School, the institution was relocated to Kyoto in August 1889.
