

## 宇治キャンパスの組織

Research Institutions in Uji Campus

|       |  |
|-------|--|
| 化 研   | 化学研究所<br>Institute for Chemical Research                                   |
| エ ネ 研 | エネルギー理工学研究所<br>Institute of Advanced Energy                                |
| 生存研   | 生存圏研究所<br>Research Institute for Sustainable Humankind                     |
| 防災研   | 防災研究所<br>Disaster Prevention Research Institute                            |
| ISS   | 生存基盤科学研究ユニット<br>Institute of Sustainability Science                        |
| KUPRU | 次世代開拓研究ユニット<br>Pioneering Research Unit for Next Generation                |
| USSS  | 宇宙総合学研究ユニット<br>Unit of Synergetic Studies for Space                        |
| 工 学   | 工学研究科<br>Graduate School of Engineering                                    |
| 農 学   | 農学研究科<br>Graduate School of Agriculture                                    |
| エ ネ 科 | エネルギー科学研究科<br>Graduate School of Energy Science                            |
| 情報学   | 情報学研究科<br>Graduate School of Informatics                                   |
| LTM   | 低温物質科学研究センター<br>Research Center for Low Temperature and Materials Sciences |
|       | 産官学連携本部<br>Office of Society-Academia Collaboration for Innovation         |

- |   |   |  |

| <p>1. North Gate<br/>2. South Gate<br/>3. Uji Campus Main Bldg.<br/>Unit of Synergetic Studies for Space<br/>5. Uji International House</p> <p>6. Accelerator Laboratory (ICR)<br/>Laser Science Laboratory (ICR)<br/>7. Nucleic Acid Research Bldg. (ICR)<br/>8. Informatics Bldg. (ICR)<br/>9. Biotechnology Laboratory (ICR)<br/>10. Low-Temperature Laboratory (ICR)<br/>Research Center for Low Temperature and Materials Sciences(LTM)<br/>11. Electron Spectromicroscope Bldg. (ICR)<br/>12. Joint Research Laboratory (ICR)</p> <p>13. North Bldg. No.1 (IAE)<br/>14. North Bldg. No.2 (IAE)<br/>15. North Bldg. No.3 (IAE)<br/>16. North Bldg. No.4 (IAE)<br/>(Graduate School of Energy Science)<br/>17. South Bldg. No.1 (IAE)<br/>18. South Bldg. No.3 (IAE)<br/>19. Wood Composite Hall (RISH)<br/>20. Deterioration Organisms Laboratory<br/>Woodworking Shop (RISH)<br/>21. Xylarium (RISH)<br/>22. Eco-Housing "Ritsushusha" (RISH)</p> | <p>23. Research Center for Disaster Reduction Systems (DPRI)<br/>24. Research Center for Earthquake Prediction (DPRI)<br/>25. Boundary Layer Wind Tunnel Laboratory (DPRI)<br/>26. Earthquake Response Simulation Laboratory (DPRI)<br/>27. UNITWIN Cooperation Programme Headquarter Building (DPRI)<br/>28. Solar Power Station / Satellite Laboratory (RISH)<br/>29. Microwave Energy Transmission Laboratory (RISH)<br/>30. Electromagnetic Wave Laboratory (RISH)<br/>31. Wind Tunnel Laboratory<br/>(Graduate School of Engineering)<br/>32. Super Air Gasdynamics Laboratory<br/>(Graduate School of Engineering)<br/>33. Radiation Laboratory<br/>Quantum Science and Engineering Center<br/>(Graduate School of Engineering)<br/>Graduate School of Energy Science</p> <p>34. Pilot Plant Factory of New Materials for Food Processing<br/>(Graduate School of Agriculture)<br/>36. South Bldg.No.2 (IAE)<br/>37. Graduate School of Informatics</p> | <p>38. Uji Research Bldg.<br/>Bioinformatics Center (ICR)<br/>Office of Society-Academia Collaboration for Innovation,Uji<br/>Institute of Sustainability Science<br/>Pioneering Research Unit for Next Generation<br/>Administration Office of Uji Campus<br/>39. Career Support Center Uji Satellite<br/>40. NANO-HOUSE (RISH)<br/>41. PHYTOTRON (RISH)<br/>42. RISH-PGE Special Screened Green House (RISH)<br/>43. Biomass Refinery Laboratory (RISH)<br/>44. Development and Assessment of Sustainable Humankind (DASH Plant Growth Subsystem)<br/>(RISH,Center for Ecological Research)<br/>45. Machine Shop (DPRI)<br/>46. Wind Tunnel Laboratory (DPRI)<br/>47. Full-Scale Steel Structure for Field Observation (DPRI)<br/>48. Strong Motion Observation Test Site (DPRI)<br/>49. Electro-magnetic Shaking Table Laboratory (DPRI)<br/>50. Laboratory of Centrifuge Model Test (DPRI)<br/>51. Uji Obaku Plaza</p> |
