

Seismic Performance of Facilities at Kyoto University

July 2021

Seismic Performance Map: Yoshida Campus (Main Campus / West Campus)

Key

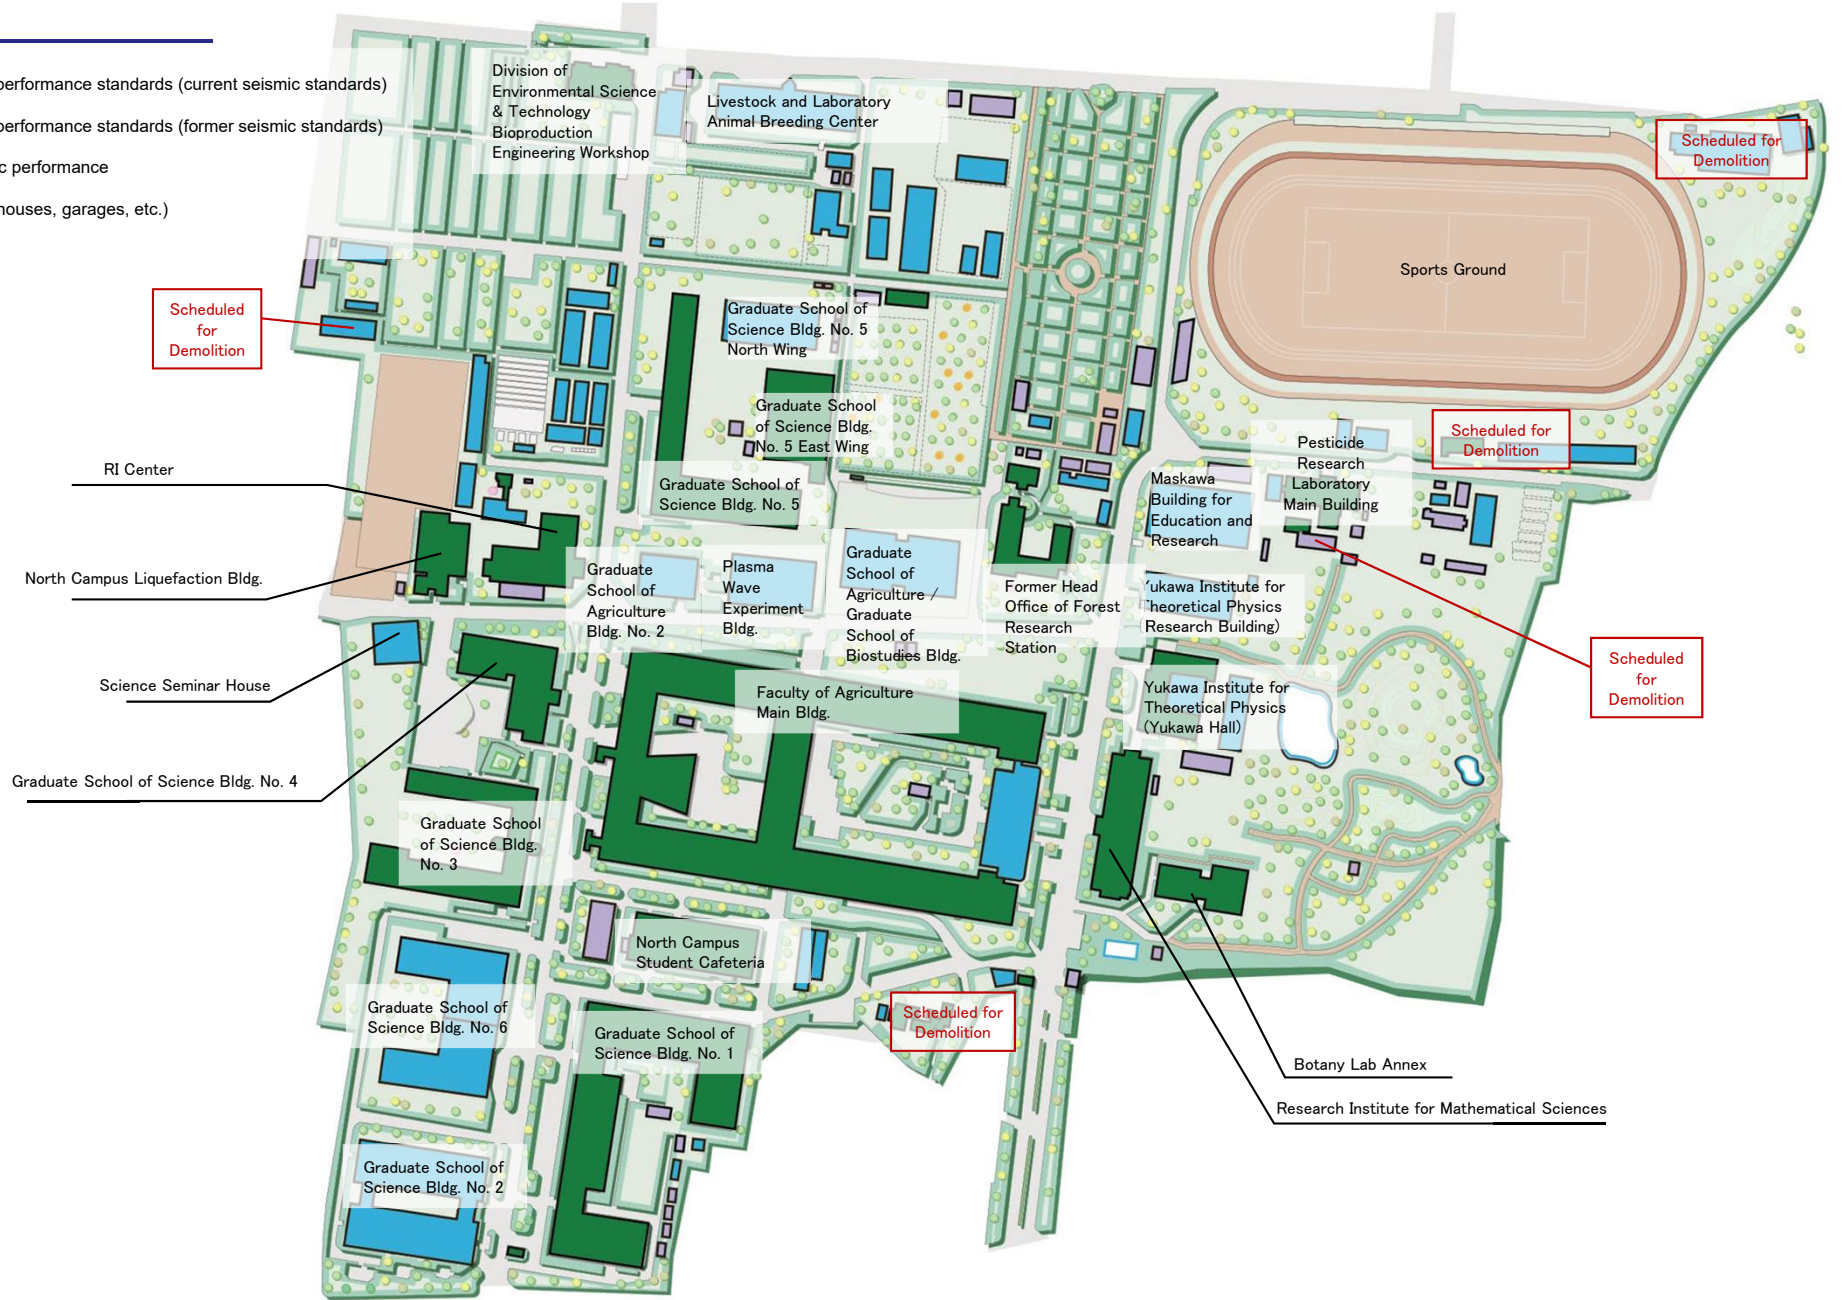

-  Buildings that meet seismic performance standards (current seismic standards)
-  Buildings that meet seismic performance standards (former seismic standards)
-  Buildings with inferior seismic performance
-  Small-Scale Buildings (warehouses, garages, etc.)
-  Large Wooden Buildings

Map of Seismic Performance at Yoshida Campus (North Campus)

Key

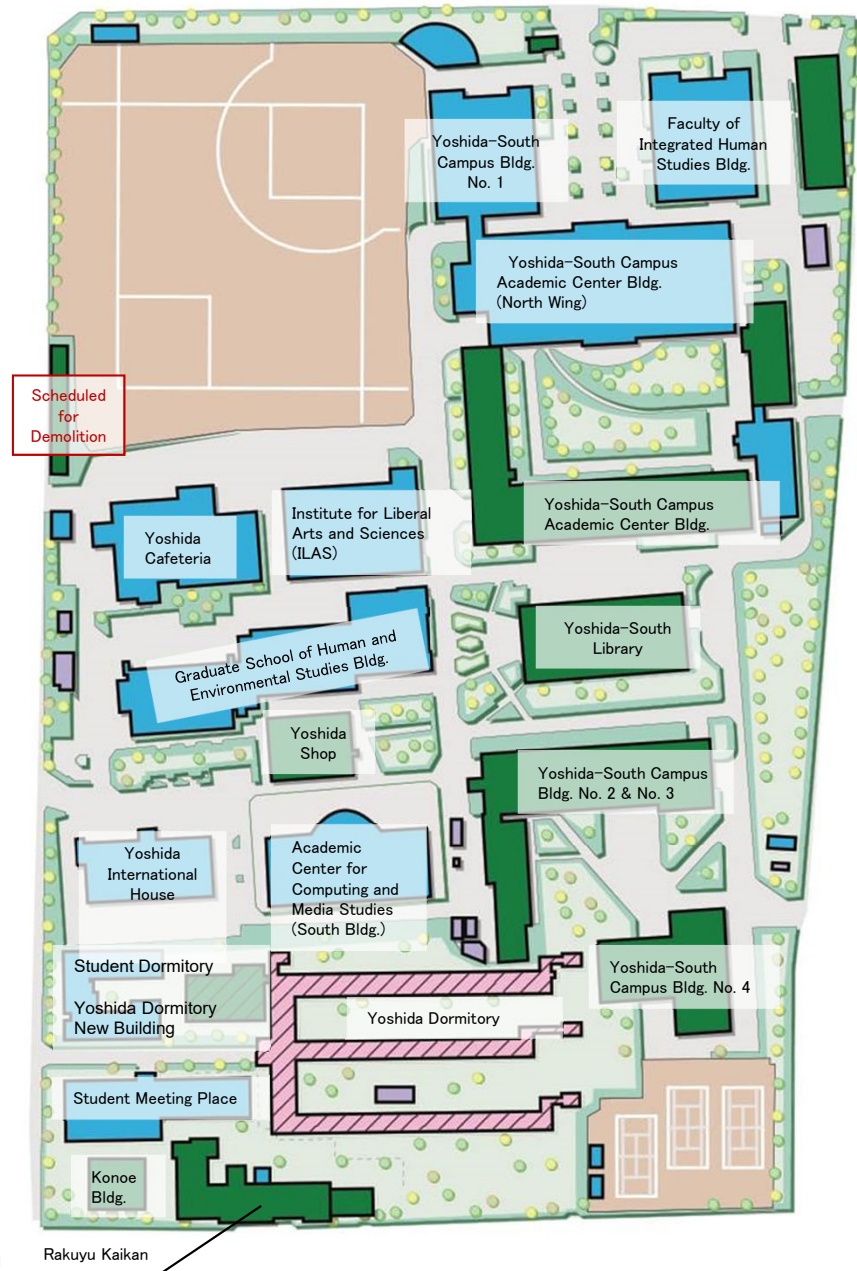

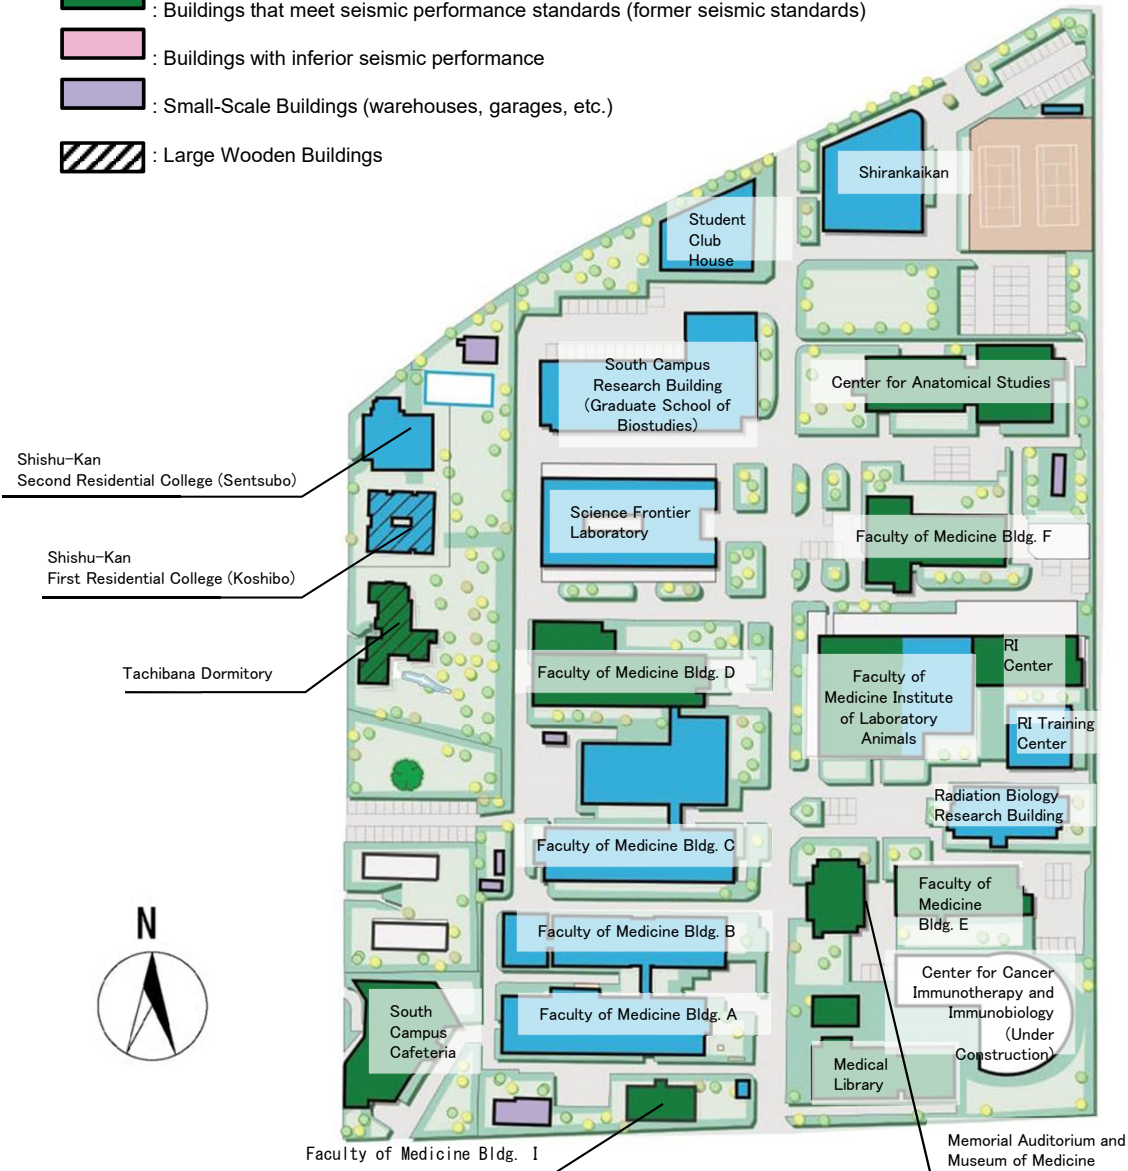

- : Buildings that meet seismic performance standards (current seismic standards)
- : Buildings that meet seismic performance standards (former seismic standards)
- : Buildings with inferior seismic performance
- : Small-Scale Buildings (warehouses, garages, etc.)
- : Large Wooden Buildings

Seismic Performance Map: Yoshida Campus (Yoshida-South & Medicine Campus)

Key

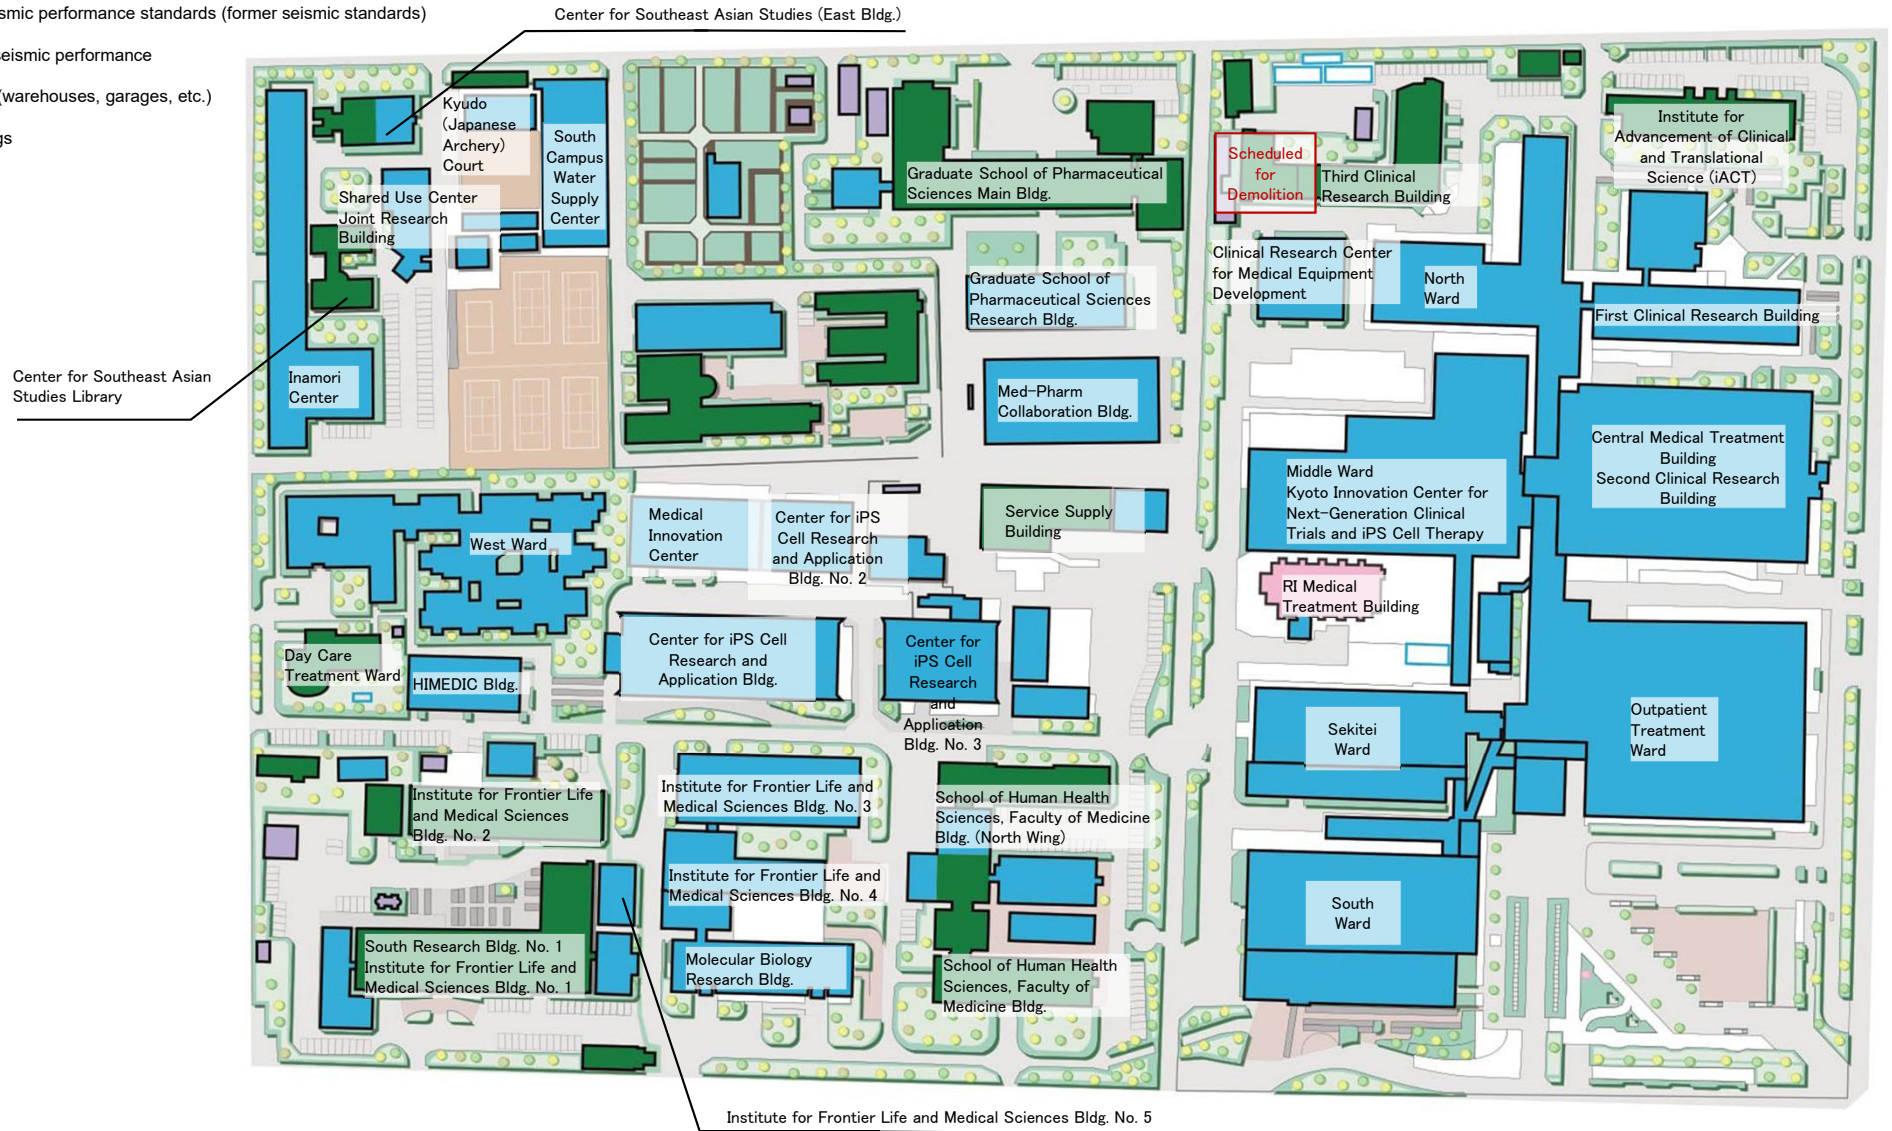

-  : Buildings that meet seismic performance standards (current seismic standards)
-  : Buildings that meet seismic performance standards (former seismic standards)
-  : Buildings with inferior seismic performance
-  : Small-Scale Buildings (warehouses, garages, etc.)
-  : Large Wooden Buildings

Seismic Performance Map: Yoshida Campus (University Hospital)

Key

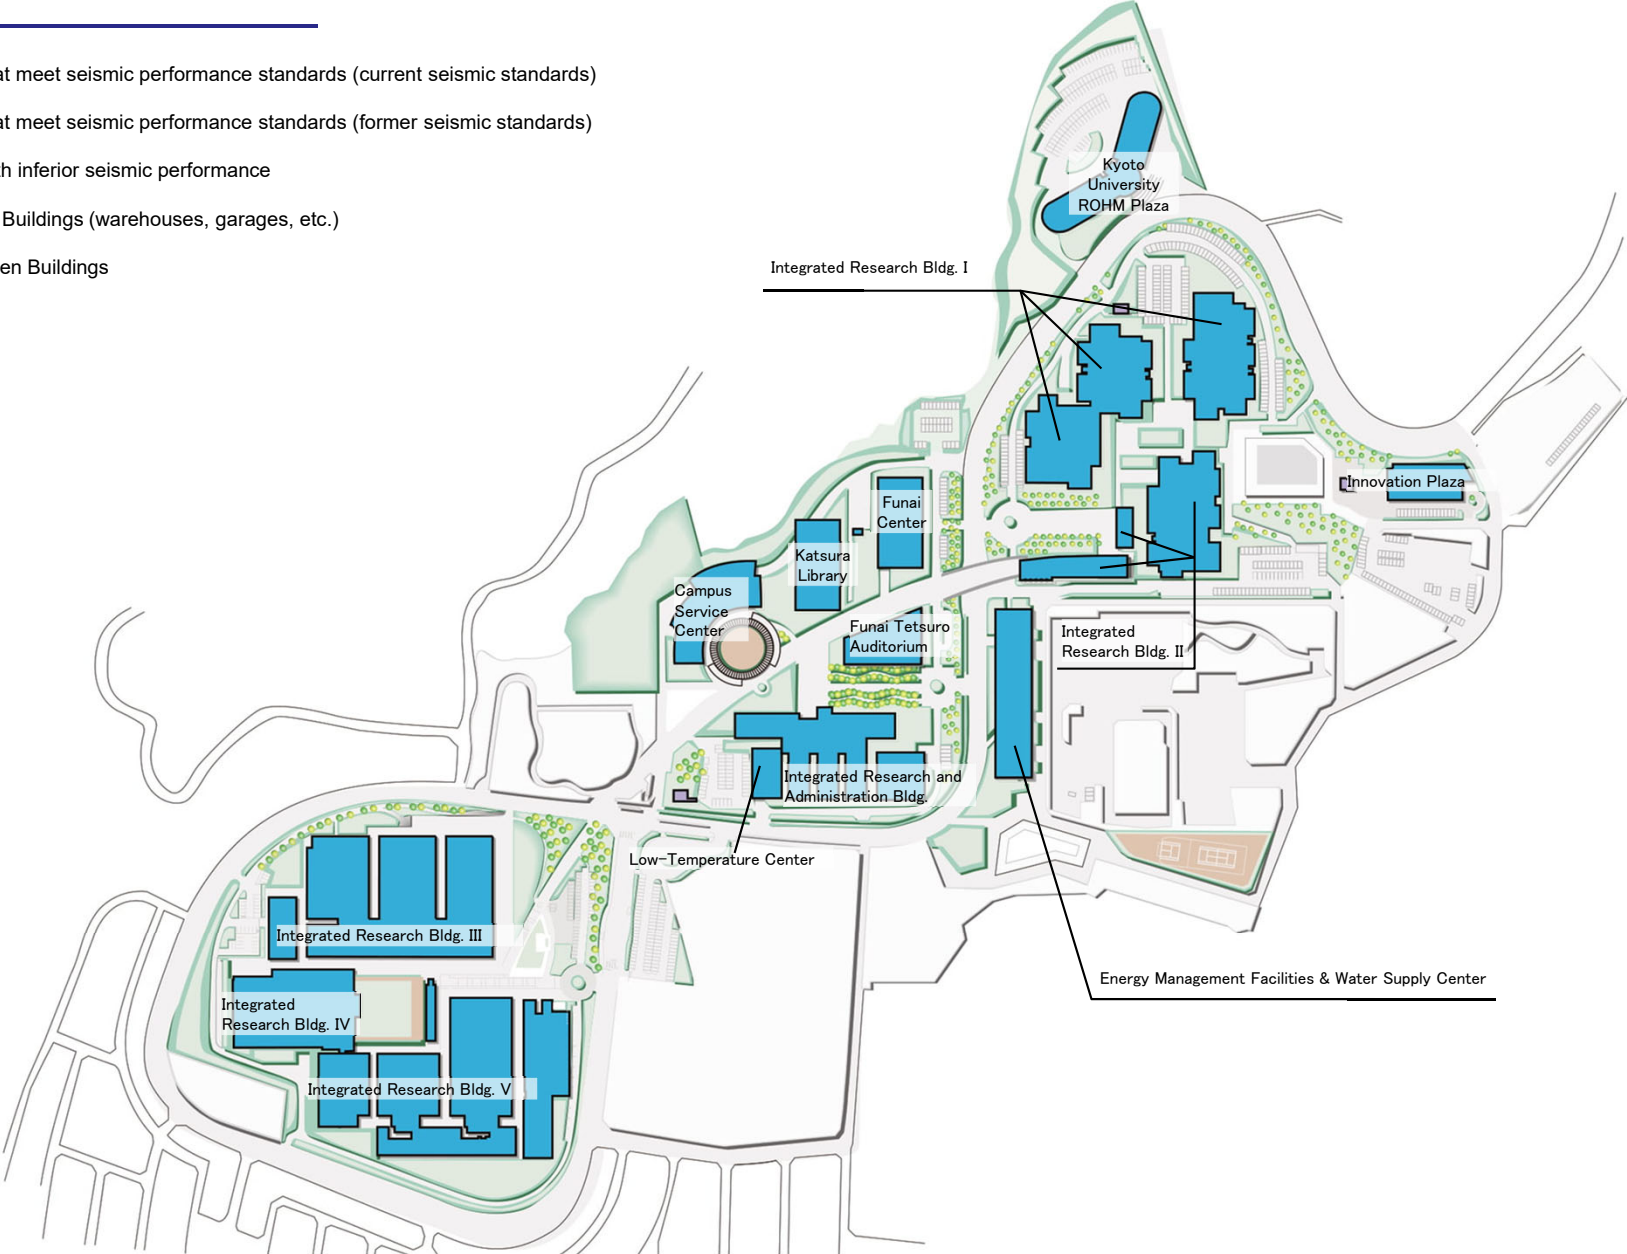

- : Buildings that meet seismic performance standards (current seismic standards)
- : Buildings that meet seismic performance standards (former seismic standards)
- : Buildings with inferior seismic performance
- : Small-Scale Buildings (warehouses, garages, etc.)
- : Large Wooden Buildings

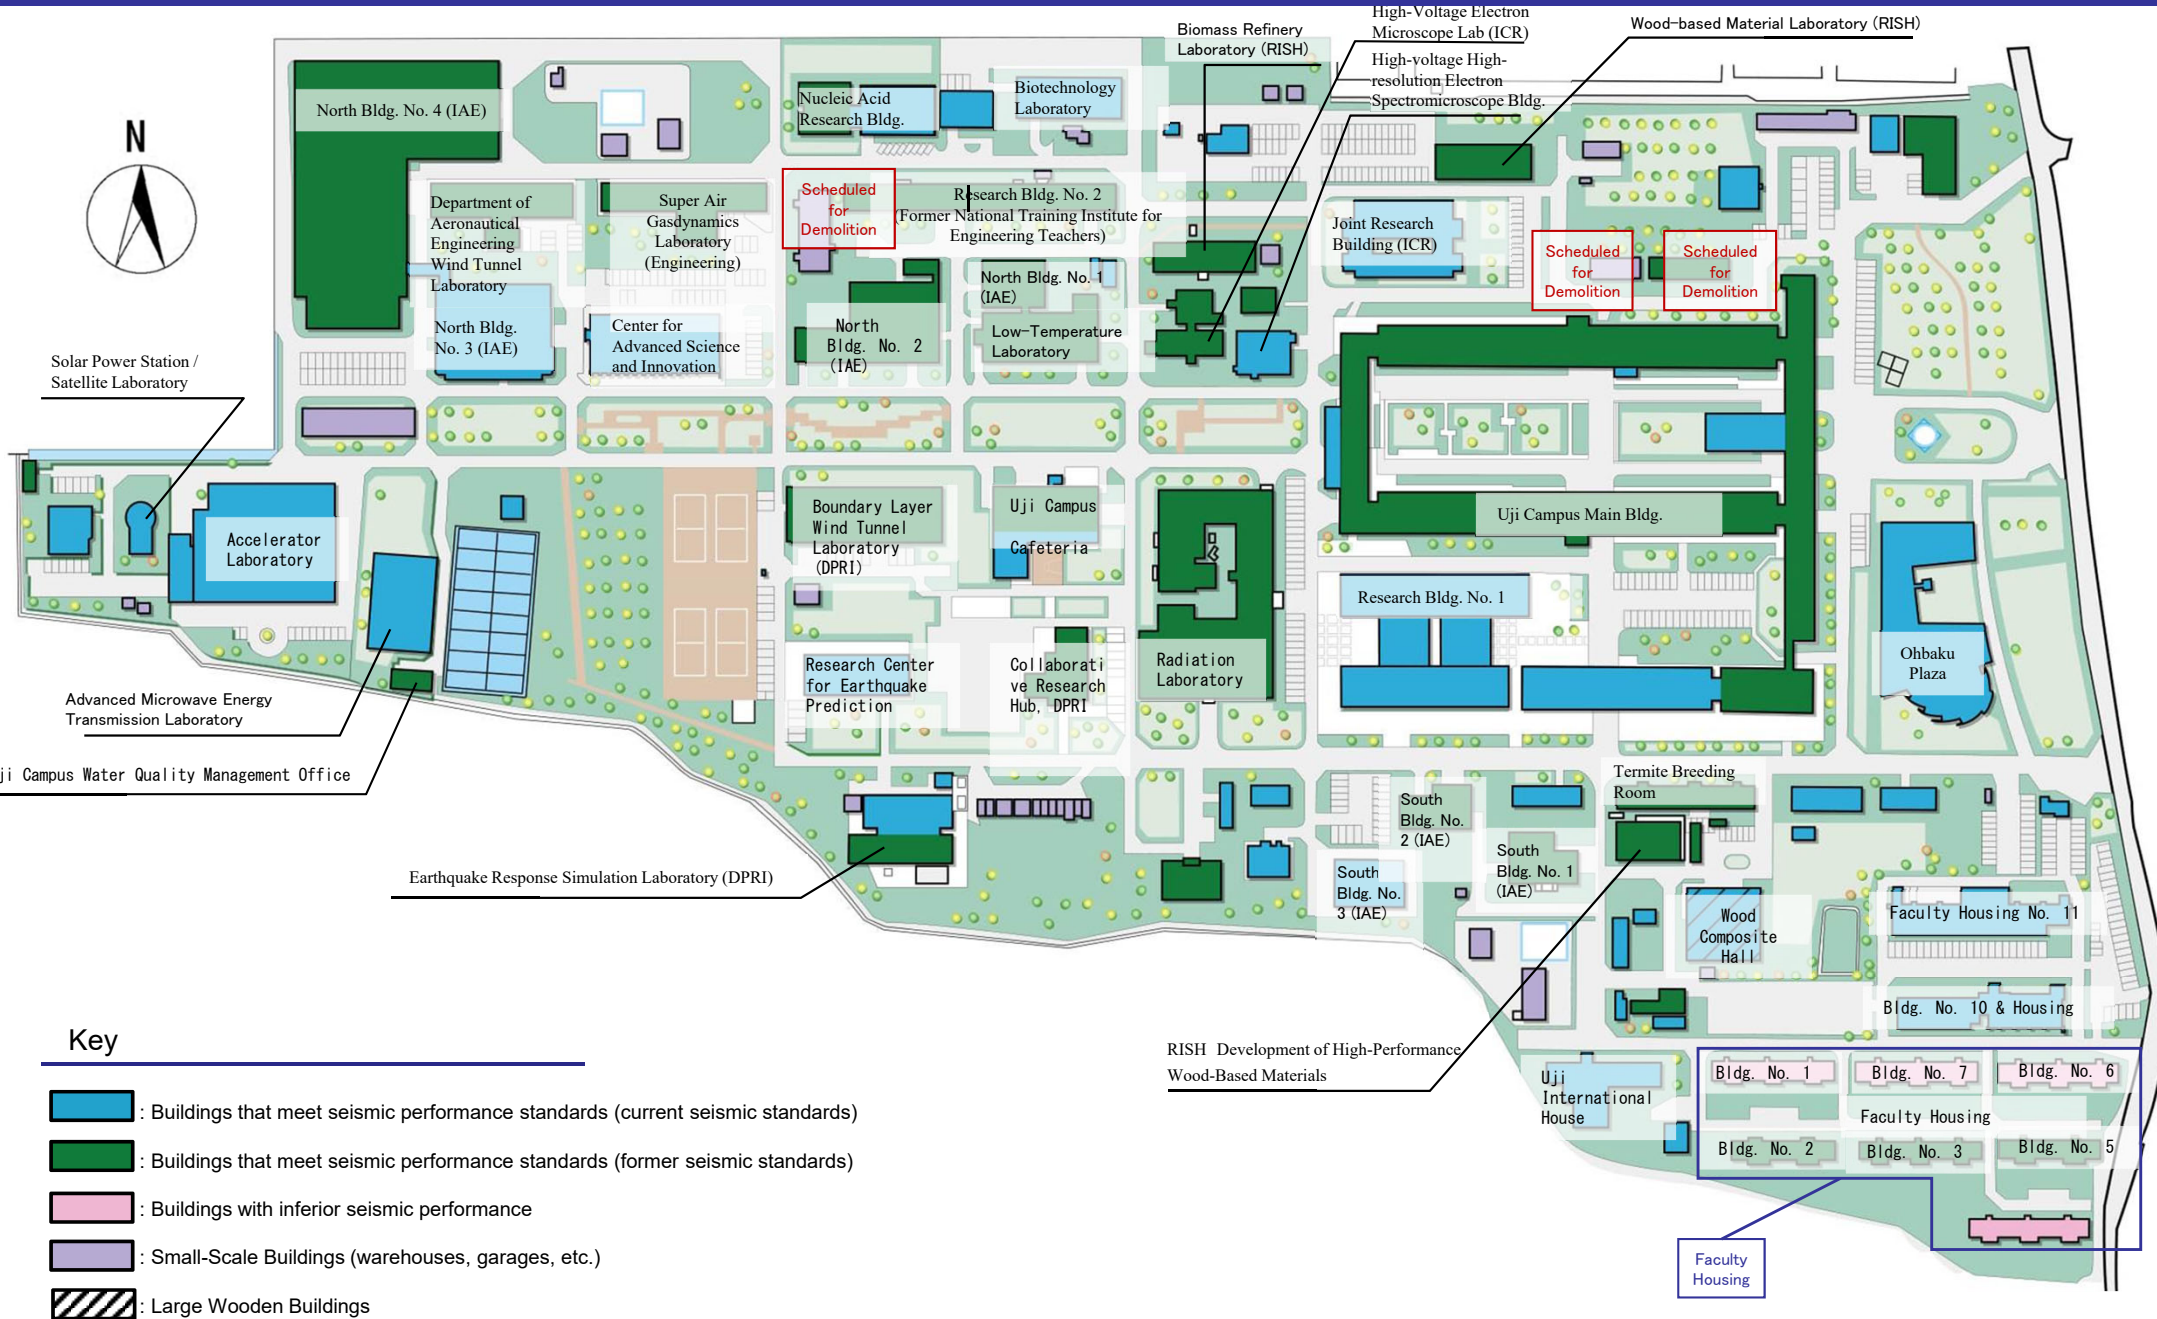

Seismic Performance Map: Katsura Campus

Key

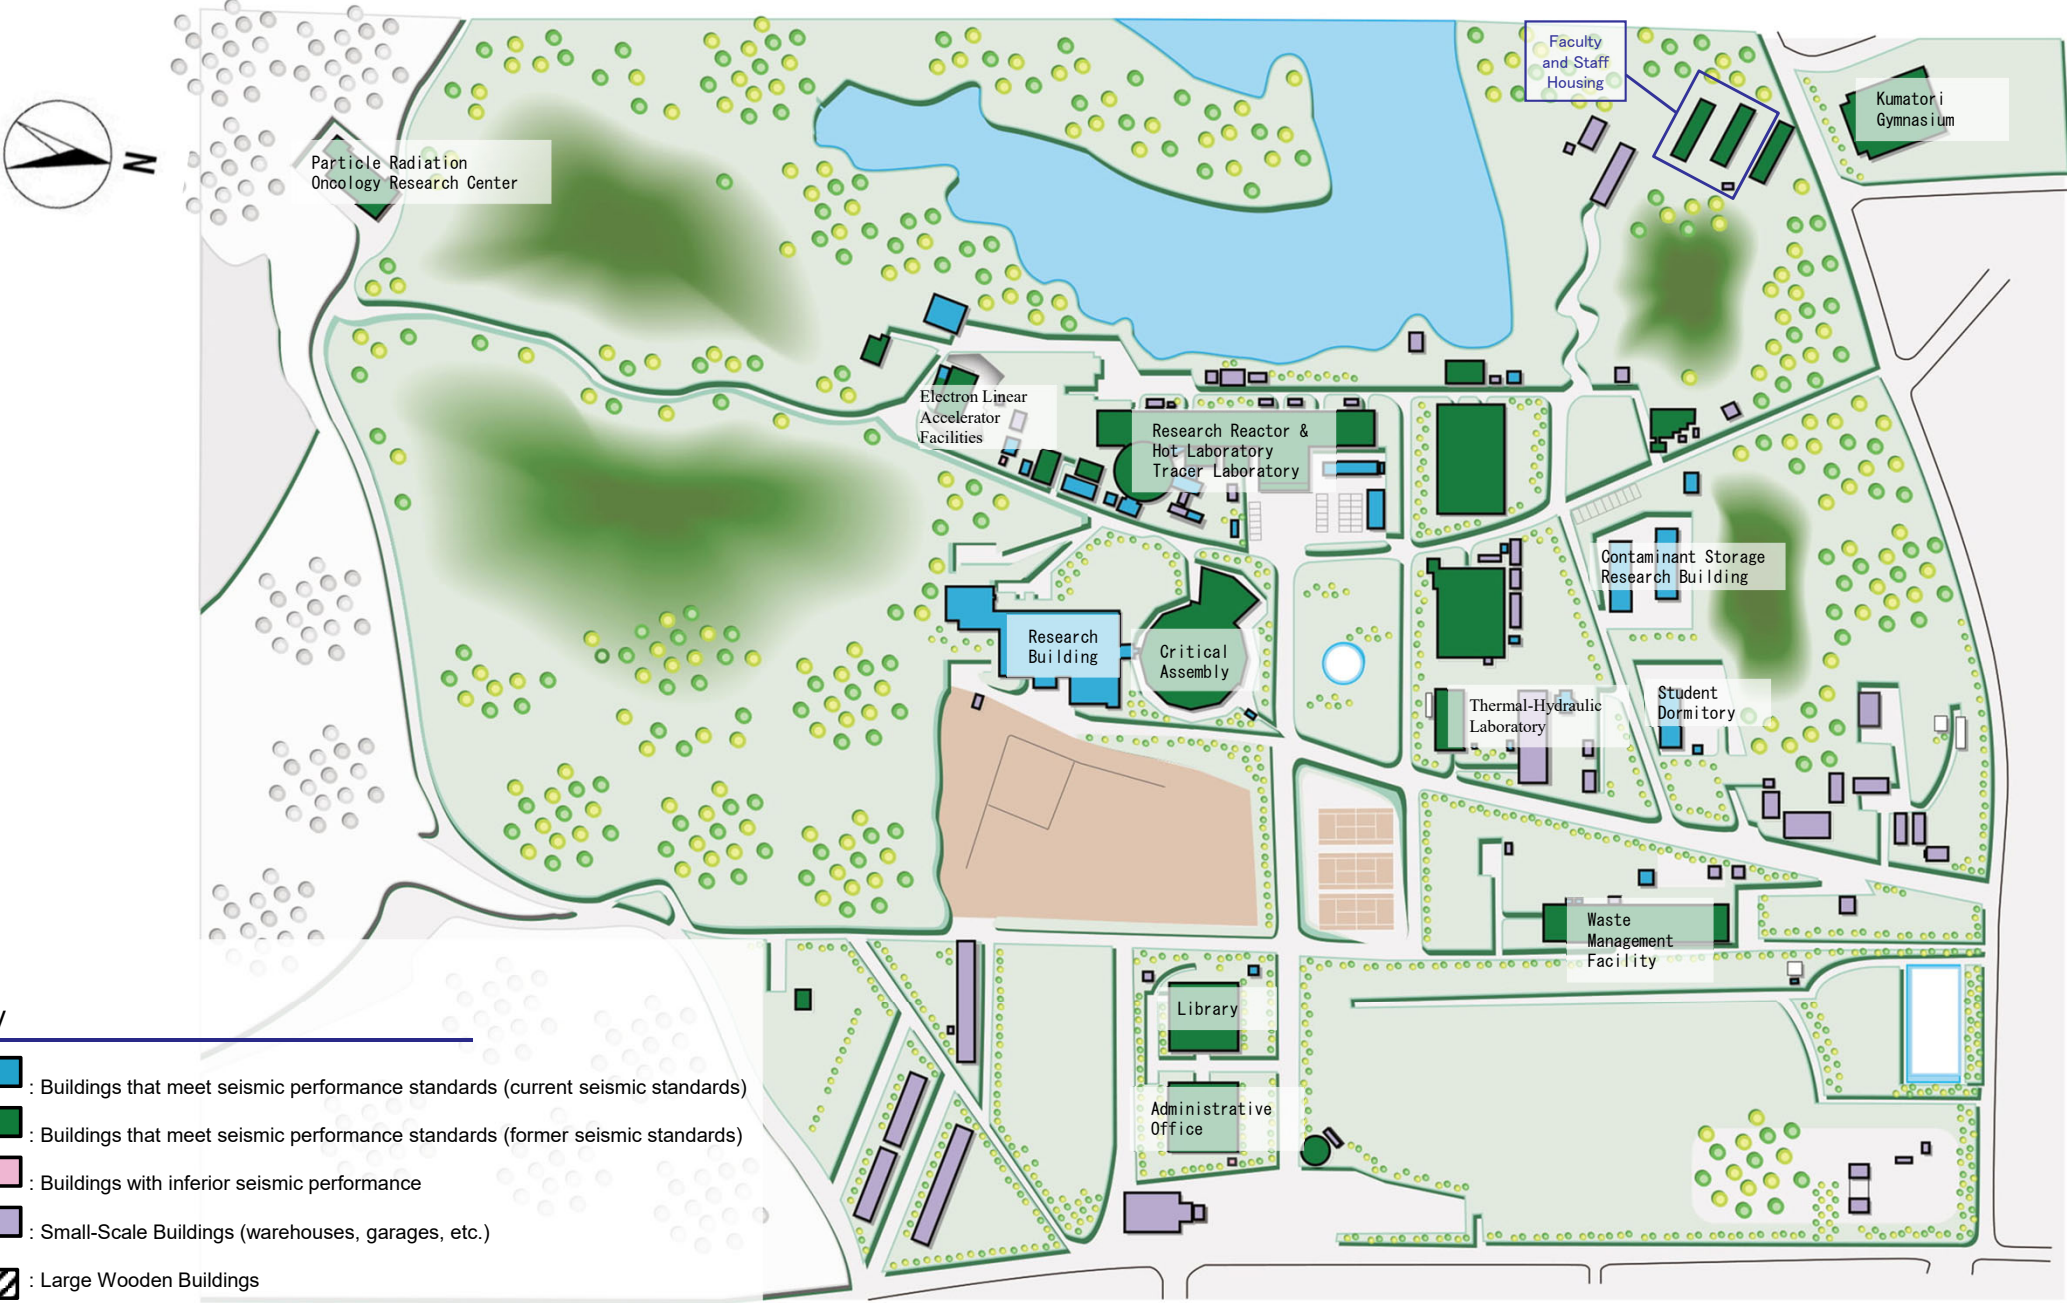

-  : Buildings that meet seismic performance standards (current seismic standards)
-  : Buildings that meet seismic performance standards (former seismic standards)
-  : Buildings with inferior seismic performance
-  : Small-Scale Buildings (warehouses, garages, etc.)
-  : Large Wooden Buildings

Seismic Performance Map: Uji Campus

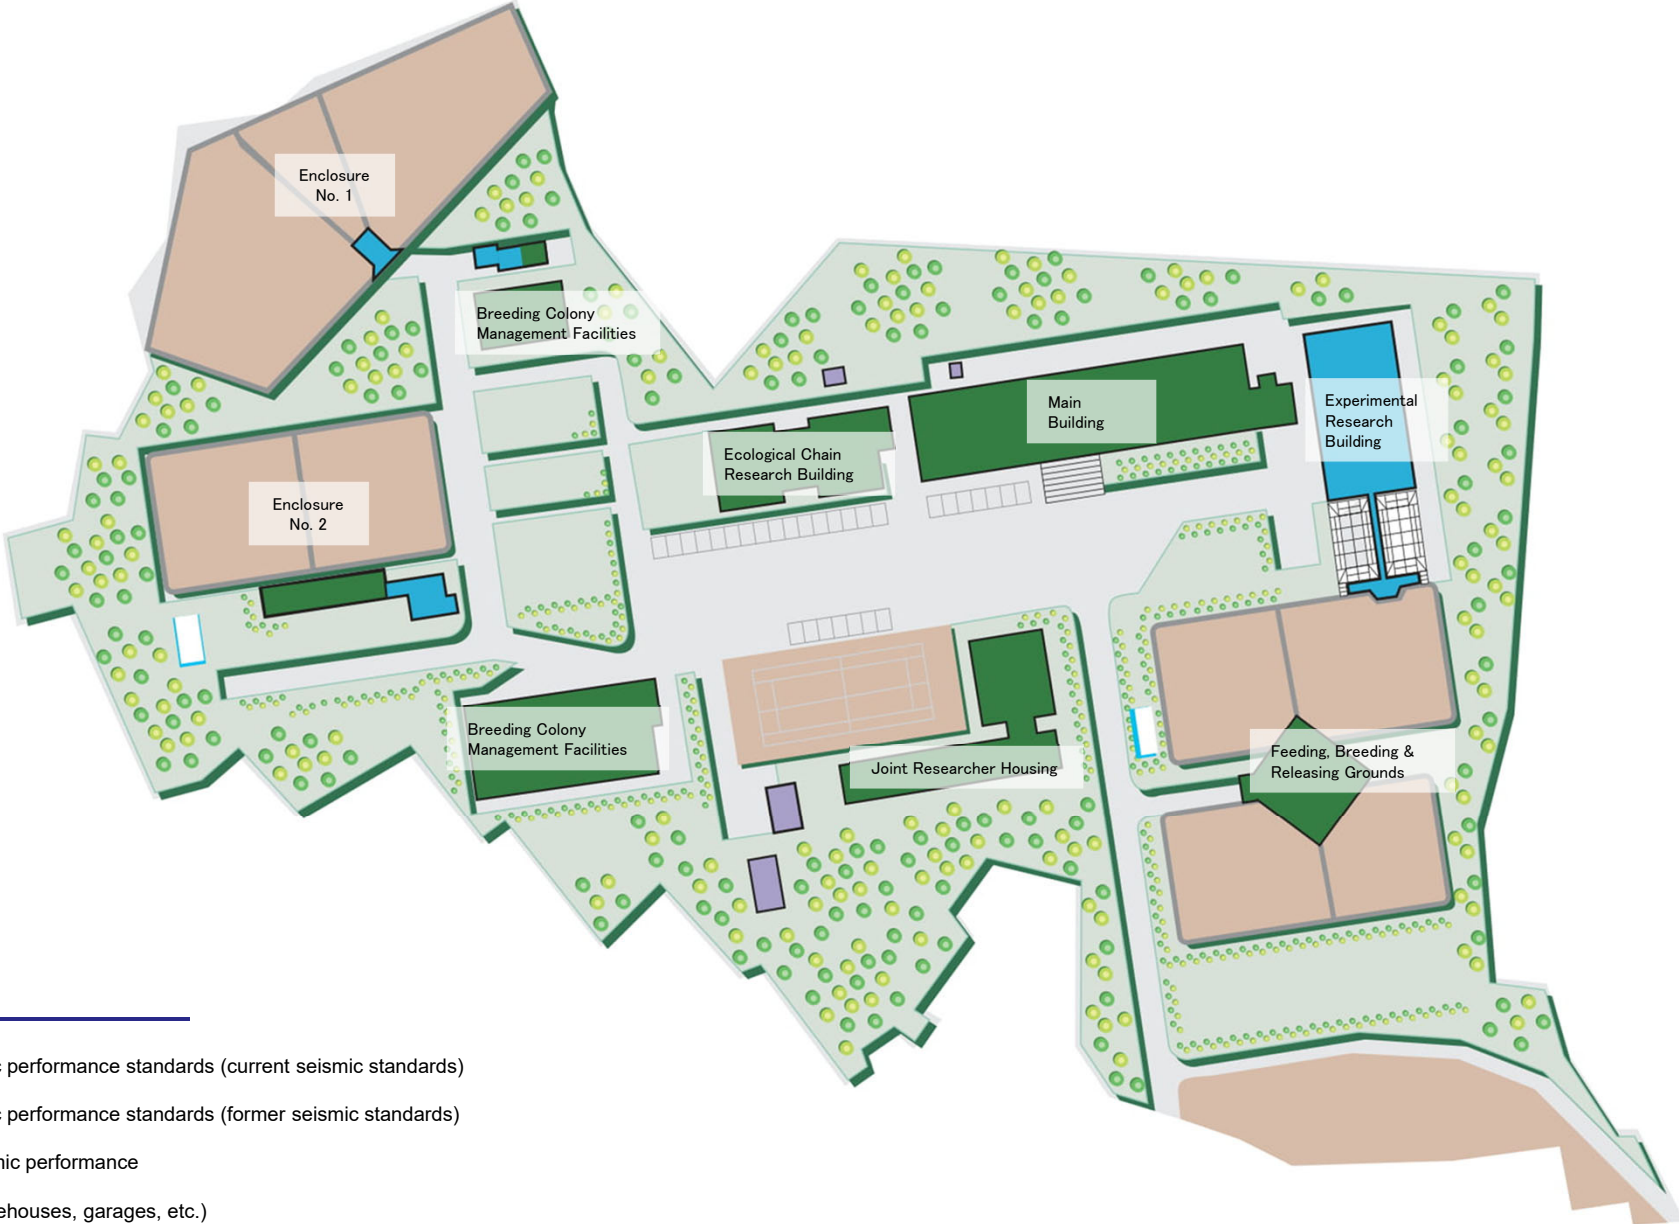

Seismic Performance Map: Kumatori Campus

Key

- : Buildings that meet seismic performance standards (current seismic standards)
- : Buildings that meet seismic performance standards (former seismic standards)
- : Buildings with inferior seismic performance
- : Small-Scale Buildings (warehouses, garages, etc.)
- : Large Wooden Buildings

Seismic Performance Map Inuyama Campus

Key

-  : Buildings that meet seismic performance standards (current seismic standards)
-  : Buildings that meet seismic performance standards (former seismic standards)
-  : Buildings with inferior seismic performance
-  : Small-Scale Buildings (warehouses, garages, etc.)
-  : Large Wooden Buildings
