6. Selection Process

Application screening is based on the application documents and interviews.

- Screening of the application documents

Priority will be given to applicants who are deemed to have a **higher level of need based on their financial situation.** Notification of the result of the application document screening will be sent to your e-mail address (as provided in the application form) around February 6 (Fri.), 2026. Applicants who have passed the document screening will be notified of an individual interview date and time.

Note1: **applicants who have exceeded the term of study or the regular term of study will not be considered.**

Note2: as priority is given to students with a high level of need based on their financial situation, **applicants who are receiving government-financed scholarship will not be considered.**

- Interviews

Applicants will be interviewed by the Women's Dormitory Resident Association (residents are expected to abide by the Resident Association rules). The interview date is February 10 (Tue.), 2026. (The alternate date for the interview in the case of postponement, etc., is February 12 (Thu.), 2026.)

7. Notification of Selection Results

Notification of the selection results will be sent to interviewees' e-mail addresses (as provided in their application forms) around February 26 (Thu.), 2026. Inquiries about the selection results by telephone or e-mail will not be accepted.

8. Move-in Date

The university will designate a move-in date, which will be sometime from April 1 (Wed.), 2026. Please note that the dormitory cannot store luggage for incoming residents prior to their moving in.

9. Dormitory Life

Residents are expected to follow the rules set by the Resident Association. Residents are therefore required to perform various duties (cleaning, taking out garbage, etc.), join the Resident Association, and participate in the association's general meetings (four times per year), as well as additional smaller meetings. As the LINE application is often used for communication among residents, you are recommended to set up a LINE account if you do not have one. You must also register for the dormitory mailing list.

10. Other Matters

- **In the event that a successful applicant decides not to move into the dormitory, the applicant must immediately inform the administrative office below by e-mail.**
- Permission to move into the dormitory may be revoked in any of the following circumstances:
 - If the incoming resident does not complete the required occupancy procedures.
 - If the incoming resident does not move into the dormitory by the designated date without a viable reason.
 - If false information is found in the documents submitted for the occupancy procedures.
 - If the eligibility requirements are not satisfied.
- **All applicants are requested to look into other accommodation options (such as private rental apartments) in case their application is not successful.**
