

October 11, 2022

To all students,

Notice: AY 2023 Class Time Schedule

To avoid crowding in the restaurants on campus during lunch break, the class time schedule for AY 2023 shall be the same as that for AY 2021 and AY2022, with 75- minute lunch break. Please see the AY 2023 class time schedule below. (Note: if your faculty or graduate school has its own class schedule, please follow that schedule.)

Please note that if, for some reason, classes after the 3rd period end earlier than stated in the modified schedule (15 minutes earlier at the most), supplementary classes shall usually be provided to make up for the shortened class time.
