

# Kyoto University On-site Laboratory Approved for Establishment in 2021

## Center for Integrated Data-Material Sciences (iDM)

The MacDiarmid Institute  
*for Advanced Materials and Nanotechnology*

**Established by:** The Institute for Integrated Cell-Material Sciences (iCeMS), Kyoto University Institute for Advanced Study (KUIAS)

**Partner institution:** The MacDiarmid Institute (MDI), New Zealand

**Location:** Victoria University of Wellington

**Functions:** Deepen research on material sciences using computational science and data science, and internationalize Kyoto University's research and education activities by enhancing collaboration with industry and local research institutions.
