I have come into contact with people who may be suffering from the new influenza A (H1N1) up to 3 days before my entry into Japan.

( Yes • No )

\* If you develop a high fever (37.5°C or higher) or 2 or more symptoms while staying in Japan, please phone or fax your affiliated department or faculty office, who will contact the Kyoto University Health Service on your behalf (phone 075-753-2405, fax 075-753-2424). The local health centers have set up designated medical institutions for influenza A (H1N1) consultations.
